Step 1: Insert hook into center of piece (where the loop was made in the flap) Draw up a loop (1 loop on hook), wrap yarn around hook 10 times (not too tight) Insert hook back into same stitch, wrap yarn around and pull through the loop. Wrap the yarn around the hook again.

Step 2: Pull the hook through all the loops on the hook. (One at a time may be easier than trying to pull through all at once) Fasten off. Weave in ends.
